LANDSCAPE HORTICULTURE MINOR: 2015-2017

Name: ___________________________________________ ID #: _______________________

Local Address: ___________________________________ E-mail: _______________________

______________________________________________ Local Phone: ____________________

Major: ___________________________________________ Expected Graduation Date: __________

Major Advisor: ___________________________________

The minor provides students with an understanding of the landscape horticultural industry and provides basic
skills to understand the design, installation, and maintenance of landscapes. Students develop a knowledge of
landscape plants and plant care as well as the basics of landscape contracting, including construction
processes and materials used in the landscape industry. Students may learn advanced skills and concepts in
the areas of turfgrass for golf course/sports field applications, ecological restoration, design/build, plant care
(both interior and exterior), and arboriculture.
