**Overview:**
Vineyard Management Company seeks an experienced manager to assist farming operations based in Templeton with properties from Edna Valley to Southern Monterey County.

**Our Company:**
We provide full vineyard management to 1500 acres of wine grapes with an additional 1000+ acres of vineyard consulting.

**Position:**
This position is an assistant management level position with responsibilities that include, but are not necessarily limited to:

- assist in planning and coordinating day-to-day vineyard operations
- ensuring tasks are completed safely and efficiently, while achieving established production and quality goals
- coordinating activities of labor crews, equipment operators, and other related personnel to maximize efficiency
- collecting field data and analyzing for decision making and planning
- pesticide compliance and scheduling
- desire for integration of techniques with new technology to improve crop quality and efficiencies

**Desired Requirements:**

- 1-2 years hands on experience in all phases of viticulture including vineyard management and development
- degree in AgBusiness, Viticulture, or related field
- experience working with vineyard labor crews
- knowledge in agriculture safety and compliance
- strong work ethic with excellent organizational skills
- ability to perform physically demanding tasks outdoors in changing weather conditions
- Experience in Excel and other productivity software and apps
- valid driver’s license with clean driving record

**Job Type:** Full-time
