Spice World International (Valley Garlic Inc.) is recruiting for a position in production agriculture. Valley Garlic is located in Coalinga Ca., and is one of the largest garlic growers, packers, and shipping operations in the United States. The full time position would be based out of Coalinga with the primary focus being the cultivation of fresh market garlic and garlic seed production. Travel to Baja Mexico, Oregon and other garlic growing areas will be required.

The position requires a minimum of a B.S. degree in one of the Agricultural Sciences-Agronomy, Plant Science, Crop Science, Vegetable Crop Science, etc. or a B.S. degree in Agricultural Business or Agricultural Economics. The ability to speak or understand Spanish would be beneficial to this position.

This position will report directly to the Field Manager and be a liaison between outside growers and management at Valley Garlic. The position offers a competitive benefit/full time salary package. For more information about the available position please use the contact e-mail address at the end of this letter or call me direct at 559-286-4164.

Qualified candidates should send cover letter and resume to: davida@sequoiapacking.com
