The California Weed Science Society (CWSS) is offering three unique opportunities to support undergraduate and graduate students with an interest in weed or invasive plant management. To be eligible for any of these awards the student must be pursuing a degree at an accredited 2-year college or 4-year university in California.

Preference will be given to students that can demonstrate a strong interest in weed or invasive plant management.

- Scholarships up to $2,000
- Internships up to $3,000
- Undergraduate Research up to $2,000
