Farming Supervisor

Company: Wonderful Citrus
Location: Madera, CA & Delano, CA

At Wonderful Citrus, we are growers who own, cultivate and harvest more than 50,000 acres of fresh citrus including Clementine/Mandarins marketed under the Wonderful Halos™ brand, Navel and Valencia oranges, lemons, limes, minneolas, Texas Ruby Red Grapefruit marked under the Sweet Scarletts™ Ruby Red Grapefruit brand and other citrus varieties to ensure year-round supply to our customers. We are the largest integrated grower, shipper and packer of fresh citrus in the U.S., leading the industry in quality and innovation. Our team is growing and currently looking for a **Farming Supervisor** to support farming operations at our **Madera, CA and Delano, CA** operations.

**ESSENTIAL DUTIES AND RESPONSIBILITIES:**

Responsibilities include assisting farm field managers with daily tasks and projects. Assist existing management staff in evaluating, analyzing, designing, and maintaining all Farming Department data. Assimilate and analyze production and farm-related data such as yield, size and quality information. Create, present and distribute various farming reports. Update, revise and distribute various databases; improve structure and availability.

- Plan, organize, and coordinate activities pertaining to the production of citrus in assigned geographic areas.
- Supervise day to day operations including: fertility, pest control, weed control, irrigation, pruning, frost protection, and other related ranch projects.
- Give direction, display leadership, provide training and guidance, and promote teamwork within the labor force and other departments within Paramount Citrus for a productive and harmonious work atmosphere.
- Schedule, coordinate, supervise and monitor all irrigation functions by implementing irrigation schedules.
- Will supervise full-time employees year round, and up to 60 seasonal employees.

**QUALIFICATIONS:**

Bachelor’s degree in agriculture related discipline preferred and 2+ years’ direct farming experience. Field of studies preferred includes crop science, plant science, fruit science, entomology or related field.

- Self-starter, independent personality, ability to multi-task and manage both short and long term goals.
- Bilingual English/ Spanish preferred but not required.
- Knowledge of statistics needed for analysis.
- Computer proficient in Excel, Access, Word, etc.
- Good verbal and written communication skills are a must.

Wonderful Citrus is part of The Wonderful Company family of companies that include Wonderful Orchards, Wonderful Almonds and Pistachios, POM Wonderful and FIJI Water.
